SUMMARY

A highly motivated Computer Science undergraduate with a strong foundation in Java, Python, JavaScript, and React.js. Passionate about software development and problem-solving, with hands-on experience in building web applications. Eager to apply technical expertise in real world projects, continuously learning and staying updated with emerging technologies.

EDUCATION

Bachelor of Technology in Computer Science | GLA University | June 2026 | CGPA:7.36

Intermediate (CBSE) | ST ANDREWS SCHOOL | July 2022

High School (CBSE) | ST ANDREWS SCHOOL | July 2020

SKILLS

Technical	Professional
Languages: Java, Python, JavaScript	Adaptability and Flexibility
Frontend Technologies: HTML, CSS, React.js	Effective Communication
Database: SQL	Strong Problem Solving
Software Development Concepts: OOPs, Modular Programming, DSA	Strong Work Ethic
Version Control and Scripting: Git, Github	

INTERNSHIP/ TRAINING EXPERIENCE

Job Oriented Value-Added Course, GLA University, Mathura (Role: Trainee)   June 2024 – July 2024
- Learned the basics of HTML, CSS, JavaScript and MongoDB.
- Post completing the training, created a Project named "Game Tracking", by using HTML, CSS and JavaScript

PROJECTS

Live Weather Search Application
- Developed a responsive weather search application using React.js.
- Integrated OpenWeatherMap API to fetch real-time weather data (temperature, humidity, and conditions).
- Implemented live search functionality, error handling, and clean UI using JavaScript functions.
- Focused on user experience and performance optimization through efficient state management and modular design.

Tic Tac Toe Game
- Technologies Used: JavaScript, HTML, CSS
- Designed and developed a 2-player Tic Tac Toe game with DOM manipulation & event handling.
- Implemented game logic, win conditions, and audio feedback for an enhanced user experience.

CO-CURRICULAR ACTIVITIES
- Certified in Java by CodeChef.
- Solved 250+ questions on LeetCode.
- Coordinated SRIJAN (Cultural fest, GLA University, September 2023) managed logistics and event execution.

DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
